You, O God, formed me to open the eyes of the blind, bring prisoners out from confinement, and bring to the light those who live in darkness by proclaiming your Word, your presence, to your people gathered for worship.

Please feel free to contact me with any problems, concerns, questions- 386-410-5647 or email.

The beginning and ending announcements should be at both Ambos, but if not, they will always be found at the Ambo nearest the choir. Please feel free to handle this anyway that is comfortable for you. Whether you walk in front of the Altar or through the Chapel or (as some do) walk to that side of the church after receiving Holy Communion? It really doesn't matter.

Thank you for your faithfulness to this, YOUR ministry.

Sorry for the lateness, next month will be out by the 15th. As you can see, we are desperately in need of MORE lectors. Please ask anyone, whom you think would be a good lector/reader to prayerfully consider this ministry. Thank you for your help.
