News from Mrs. Nice

It does not take much time to speak to God each day, yet it can still be difficult. Much like our regular muscles, we need to exercise our prayer muscles to improve. The more we exercise our prayer life, the stronger and easier it will become. Many of us attend practices of varying types and the teachers and I are always rooting for the students in their academic, athletic and spiritual lives! Thank you for a wonderful attendance at our PTO meeting on Monday and please mark November 11 for our next meeting. We thank you for your continued support and hope to see you at this weekend's Aunt Catfish Pancake Breakfast and the upcoming Trunk-or-Treat events. Please help us at home by practicing your prayers and remember that prayer is our connection to Him. Go SHS Eagles and good luck in your games this weekend! - Mrs. Nice
