**Reflection**

When Jesus had finished speaking about his parables, he turned to his disciples and asked them,

"Have you understood all this?" (Matthew 13:52). Jesus asks us the same question.

If we want to understand the meaning and significance of the parables for our daily lives, then we must reflect and think through what the Lord is saying to us through his instruction.

The Holy Spirit is our guide and teacher who helps us to grow in understanding of God's word in the Scriptures.

Lord Jesus, may your word take deep root in my heart and transform my way of thinking, discerning, and acting. May your Spirit open my ears to hear and understand the word of God in the Scriptures that I may revere and treasure both the Old and the New Testaments which God has prepared for all who desire to enter his kingdom of righteousness, peace, and joy. Help me to be a diligent student and faithful disciple of your word.

## Community Family News,

During this difficult time it is important to keep each other in our prayers for continued good health or recovery. It is also important to stay in touch with each other. Even though person interaction may be limited; much goes on within our parish family. Write something up that is upbeat and informative.

Thank you and God Bless.

My mother Ann Kish has tested positive for the Coronavirus. She went into Advent NSB June 8th for hip surgery and then to Ocean View June 12 for rehab. She was placed in (everyone is) quarantine for 14 days. She was then placed in a private room in rehab until she had to be transported back to Fish for blood transfusions as her hemoglobin was very low. Two days later, back to Ocean View, but back in quarantine because she was "out of the building" more than 24 hours.

She was set to come home on 7/10, but they said she had to wait until her 7/6 COVID test results came back. Incredibly it took until last night for them to come back and she was *positive*. Three people on her floor tested positive. She will now be moved to another floor and monitor her symptoms, which is basically a fever and a little congestion.

*Please! Please! pray for Mom; we have not been able to go see her at either place since she entered on 6/8. She is scared, alone, frustrated, lonely... I am worried sick about her.*

*Lord our God.*

*Bless Ann today so that she may bear her illness in union with Jesus' sufferings and restore her quickly to health. Lead her to eternal glory. We ask this through our Lord Jesus Christ, Your Son, who lives and reigns with you and the Holy Spirit, one God, forever and ever. Amen.*

*Thank you Jesus. Thank you all !! I love you—Blessings & God's Peace, Mary Kish*

## DIOCESAN SCHOOL RE-OPENING PLAN

For Fall 2020 in response to COVID-19

*Start children off on the way they should go, and even when they are old they will not turn from it. - Proverbs 22:6*

The Office of Catholic Schools in collaboration with the Florida Department of Education, Florida Catholic Conference of Bishops, local health officials, administrators, and other Diocesan staff has worked diligently to develop a school re-opening plan that allows students to return to campus in a manner that reduces health-related risks while maintaining an environment in which we focus on the education of the whole child.

Our schools will provide virtual and on campus learning with the necessary campus and classroom modifications needed to support students safe return to school on **August 26, 2020**. This plan may be updated regularly based on the guidance of local and state health officials. School principals will share updated information on the school's website and distribute all updates to parents via the school information system.

### Temperature Screening

Students, teachers, and staff will be required to get temperature checks daily upon arrival. Anyone with a temperature of 100.4F or above will be sent home. A doctor's note will be required prior to going back to school. Random temperature checks may be done throughout the school day. Anyone with a temperature or feeling ill should stay home to maintain a healthy school campus.

### Visitors & Volunteers Protocol

At this time, it is our recommendation that for the 2020-2021 school year, we forgo the use of campus volunteers when possible. Schools will provide alternative means of serving our communities. Visitors will not be permitted on the campus during the school day other than the front office. This recommendation is made based on the need to limit the exposure of our students, faculty and staff.

### Cleaning and Disinfecting

Enhanced cleaning protocols have been established to disinfect the campuses daily. High touch surfaces will be regularly disinfected throughout the school day. Teachers and staff will be provided the necessary cleaning and disinfecting materials.

### Mass, Large Gatherings & Sporting Events

School masses will follow the protocols in place by each parish. All athletic sporting events must adhere to state and local guidelines. Strategic social distancing for all large gatherings on campus, inside and outside, of the schools' facilities will be observed.

### Strategic Social Distancing

Students, teachers and staff are strongly encouraged to wear masks. Classroom seating will be arranged to maximize strategic social distancing and to limit face-to-face contact. Classes will alternate use of the cafeteria and other campus areas such as outdoor spaces to maintain reduced capacity and strategic distancing protocols.

### Academics & Virtual Learning

Students will begin the 2020-2021 academic year in August on campus with the expectation that specific health and safety procedures will be required. Parents may choose to have their children participate in virtual learning which means that a student will be participating with the class via livestream for the entirety of the academic school day and will not participate in on-campus activities to protect their health and safety.

## Spotlight on St. Vincent de Paul Volunteer **Betty Crouser**

Betty Crouser was born in Cleveland, Ohio 92 years ago. While she holds the distinction of being our oldest volunteer, she is young at heart and envied for her energy. Betty is a widow with

two daughters and boasts about her two grandchildren and one great grandchild. Her hobbies include reading and watching TV, particularly the "Price is Right." For eight years, she performed bookkeeping for the City of Edgewater as a deputy city clerk and was head of the local Salvation Army for ten years. Her favorite thing is to help others with kindness

and compassion. Betty has worked for nine years on the St. Vincent de Paul home visitation team which delivers food to our neighbors. She loves delivering with her sidekick, our food manager, Jimmy Degen, who protectively adores her. Constantly bickering good-naturedly, she keeps him on the right routes to houses and lets him know when he goofs. Betty, keep up the good work! Thank you for your example to all of us.

### St. Martha—Feast Day July 29

Martha is venerated as a saint in the Roman Catholic Church and the Eastern Orthodox Church. Through time, as the reverence for St. Martha developed, the images of maturity, strength, common sense, and concern for others predominated.

Patronage: butlers; cooks; dietitians; domestic servants; homemakers; hotel-keepers; housemaids; housewives; innkeepers; laundry workers; maids; manservants; servants; servers; single lay women.

*Heavenly Father, we could never thank our military men & women Policeman, fireman and 1st Responders enough for their courageous service and sacrifice to our country and its people. Show us ways in our communities, churches, and families to thank and love them better. Keep and protect these heroes and their families, in the powerful name of Jesus we pray. Amen.*
