News from Mrs. Nice

Happy New Year Sacred Heart! Looking back on the events of 2020, the New Year may bring mixed emotions and memories for many of us. Praying at the start of the New Year doesn't always bring immediate change at the stroke of midnight, but it begins the opening of our hearts to God's Words of hope and peace. These first few months are a very focused time for teaching and learning. Students are relaxed after the holidays and ready to learn. Teachers are re-energized as they return to the classroom. There is very little distraction, and our structure and routines are there to serve and support.

Catholic Schools Week is right around the corner beginning Sunday, January 31st. This year we will have a special "Make this Year Magical" theme where we will explore the power of positive thought, faith, excellence, and service. There will be fun, faith-filled activities and projects that will match our mission, expand horizons and help create an extraordinary year with ideas to inspire our spirit every day.

Please join me Monday, January 11th for the next virtual PTO meeting at 5:30pm where we will introduce our Heart of an Eagle Open golf tournament and virtual auction scheduled for this spring. My prayer for the New Year - Thank you Lord for making all things new. Thank you for all that you've allowed into our lives this past year, the good along with the hard things, which have reminded us how much we need you and rely on your presence filling us every single day.

Peace & Blessings - Mrs. Nice

School Led Mass

Our school-led Sunday Mass will be on **Sunday, January 10th at 10:30 am**. Students wearing Sacred Heart attire (regular or spirit) will receive a dress down band. We still have limited seating, so please arrive a little early. Let us support our students and show strong superpower presence at Mass.
