News from Mrs. Nice

Dear Sacred Heart families,

In him we could rest our hope upon, for He brings life! I hope you had a blessed Easter holiday and a beautiful spring break. I know that spring always brings a sense of renewal and a refreshed feeling of faith and victory - and this year more than ever before. When I began teaching at Sacred Heart almost 10 years ago and my two boys started attending the school, my personal mission was to serve and continue to grow our faith-filled and caring community. Sacred Heart is a community of families and faculty truly dedicated to Catholic education. We are a unique school as are each of the children of God we serve, but we are undeniably blessed with our rich history, progress, achievements and continued focus on the future.

As we begin the journey toward the last days of the 2020-21 school year, the greatest gift we can give our families is to love the children and help them reach their fullest potential. He is risen and He will continue to guide, protect, and give us life. We look forward to the Heart of an Angel Open and Sip, Shop and Support events April 24th!

Peace & Prayers, Mrs. Nice

Amazon Smile

Some of you may have gotten notification that our Amazon Smile was no longer eligible to accept donations. We had a temporary glitch with Amazon and the company they use to check for non-profits. We have been reinstated to again receive donations, however, it may be a week or so before you can select Sacred Heart School as your charity. We will send out a notice when you are able to select Sacred Heart again for your donations! Thank you for your patience.
