Reflection

How would you respond if someone prophesied that your home, land, or place of worship would be destroyed? Jesus foretold many signs that would shake peoples and nations. The signs which God uses are meant to point us to a higher spiritual truth and reality of His kingdom which does not perish or fade away, but endures for all eternity. God works through many events and signs to purify and renew us in hope and to help us set our hearts more firmly on Him and Him alone.

Sometimes we don't recognize the moral crisis and spiritual conflict of the age in which we live, until something "shakes us up" to the reality of this present condition. God reminds us that a future judgment and outcome awaits every individual who has lived on this earth. The reward for doing what is right and pleasing to God and the penalty for sinful rebellion and rejection of God are not always experienced in this present life - but they are sure to come in the day of final judgment.

The Lord Jesus tells us that there will be trials, suffering, and persecution in this present age until He comes again at the end of the world. God intends our anticipation of His final judgment to be a powerful deterrent to unfaithfulness and wrongdoing.

God extends grace and mercy to all who will heed His call and His warning. Do not pass up, even for one day,

God's invitation of grace and mercy to seek first His kingdom of righteousness and peace.

This day may be your only chance before that final day comes.

Pastor's Corner

Dear Parishioners

This past Friday, November 11th, we celebrated Veterans Day. I didn't want to let such an important day to pass without some well-deserved recognition and reflection. This led me to ask and reflect on the following questions: Is Veterans Day really a holiday or is it a holy day?

It's a holy day when we reflect on the many women and men who serve in the military and put their own lives in danger for the freedom we enjoy.

It's a holy day when we stop our daily life routines to celebrate at a parade, pause our businesses and close our schools to show joy and respect for what our veterans have done for us and our nation, for the rights and freedoms that they have won and protected through all these years.

It's a holy day when we remember and give thanks to God for our veterans who have returned safely from areas of conflict and war.

It's a holy day when we stop everything we are doing and consider what government and military benefits, or lack thereof, our veterans who are returning from service find here at home.

It's a holy day when we feel the pain of guilt and experience the sadness for those veterans who are homeless, disabled from combat wounds, affected by mental, emotional and spiritual agonies and are left alone in their suffering.

It's a holy day when we mourn our own selfishness for forgetting to thank and be ever grateful to those veterans who have served our country yet feel unappreciated, lonely and forgotten.

To all veterans, today and every day, we say thank you for protecting us and keeping us safe. We bless you, pray for you and pledge to never forget the sacrifices you have made for our country and for us.

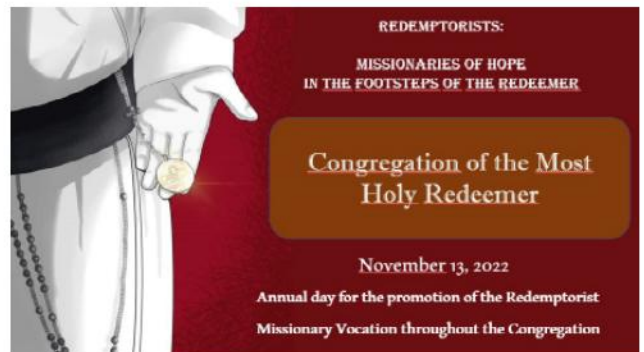

John F. Kennedy sums it up best: "As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them."

God Bless Us All

Fr. John
