Dear Parishioners

What is Lourdes? Where is Lourdes? Why has it become world famous? The story goes back to February 11, 1858. On that day a little girl fourteen years of age was walking by a rocky cave near her native town. She was looking for pieces of wood to build the fire for her poor parents. She was all alone because her companion had gone on ahead of her.

Suddenly she heard a sound like that of wind. She looked toward the trees, but they were not moving. She looked again, this time to the niche of a rocky grotto. There she saw the figure of a lady, a lady clothed in a white garment with a blue sash. There were golden roses at her feet.

Her face was sweet and smiling. In her hand was a rosary. That little girl

was Bernadette Soubirous, who has since been immortalized by being declared a saint. The rock was the famous Grotto of Lourdes, and the lady she saw was none other than the Blessed Virgin Mother of God.

This was the first vision which Mary granted to Bernadette. The last took place on July 16, 1858, the feast of Our Lady of Mt. Carmel. Our Lady gave the little girl many messages. She told her to drink the water from a spring which suddenly sprang up at the foot of the grotto. She told the child have the priests erect a church on the spot and then in one of the apparitions our Blessed Lady revealed her name: "I am the Immaculate Conception." After some delay the bishop appointed a committee to study the appearances. They decided that all were true. A church was erected on the spot.

Little Bernadette joined the Sisters of Charity; she never returned to Lourdes. Throughout her life she remained sweet and humble and holy. In 1879 she passed away, and in 1935 Pope Pius XI declared her a saint. Hundreds of thousands visit that little village each year, and every year hundreds of cures are reported. A group of non-Catholic as well as Catholic doctors and scientists make a thorough investigation of every report.

Mary had a message for all people, a call to prayer and spiritual life. To remember the message that God does indeed work miracles, spiritual as well as physical.

At Lourdes new hope is given to suffering souls. At Lourdes misery and despair are banished.

At Lourdes the forces of evil are often broken of their power. At Lourdes many are set on the path to paradise. At Lourdes many realize for the first time Christ's power, Christ's mercy and protection and love.

As we approach the feast of Our Lady of Lourdes on Wednesday of this week, February 11th, we will ask for her blessing. We will ask her to help us that one day and like Bernadette, we shall see her face to face, gracious and beautiful and loving, to live forever with her in the company of her divine Son.

God Bless Us All

Fr. John
